CIRCULAR.

No. Fl. (B). 10901-2100—C.R. 23-53-1. The Accountant General, Mysore, Bangalore, has brought to the notice of Government the following irregularities in regard to the submission of Detailed Contingent bills for amounts drawn by departmental officers on A. C. bills:—

(1) In respect of amounts drawn on Abstract Contingent bills, Detailed Contingent bills are sent to the Audit Office even after a lapse of six months to one year. Such delays in the submission of Detailed Contingent bills in respect of aomunts drawn on Abstract Contingent bills are in contravention of the provisions contained in Article 220, Mysore Financial Code, Volume 1, and should be strictly avoided.

(2) Amounts drawn on Abstract Contingent bills and placed at the disposal of Disbursing Officers are sometimes kept by them in the amanath accounts (outside the treasury balance) for long intervals. This procedure being in contravention of the provisions contained in Article 306, Mysore Financial Code, Volume I, should also be discontinued.

(3) In certain cases, amounts are drawn in lumpsum from the treasury at the fag end of the official year without reference to immediate requirements, apparently with a view to avoid lapse of grant. This is highly irregular and contrary to the provisions contained in Article 190 of the Mysore Financial Code, Volume I, and such an irregular and objectionable procedure should be strictly avoided in future.

Government wish to impress on all Drawing and Disbursing Officers the need for strict adherence to the rules laid down in the Codes and any deviation therefrom leading to irregularities of the kind pointed out above will be viewed seriously and suitable disciplinary action will be enforced. The Heads of Departments to whom such irregularities are brought to notice should take prompt action then and there and see that the officers handling public money realise their responsibility.
